Emergency activity has centered on the 10 Meter Mobile Net meeting Mondays at 7:30 CDT. Present frequency is 29Mc. We now have four active mobile stations: BNS, CUE, CZO, HKZ and fixed stations CKP, TXL, UEM, ZCE. The plan is to operate the mobile units and have fixed stations in each section of town with a Net Control Station centrally located. Any interested fixed or mobile units call in the net or contact CKP.

Attention 2 meter gang-A drill net is in the offing soon.

Attention 3.5 and 7 Mc boys-How about some emergency nets for you. Contact W9CKP. We want something to tie into the 10 meter mobile net.
